

CXO & Leadership hiring services (Antal International)

Our focus is on delivering senior-level talent across technology and business functions. With a deep understanding of leadership dynamics and tech SME needs, we enable organizations to scale and lead in competitive landscapes.

◆ Value Proposition:

We specialize in hiring top-tier leadership, technical experts, and SMEs through rigorous assessments and global sourcing. We are collaborating with **Antal International**, one of the leaderships & Tech SME recruitment consulting company through official franchise business partnership.

◆ Use Case Examples:

- Hired CTO for a fintech startup in under 6 weeks.
- Scaled tech team leads for a healthcare AI platform.
- Supplied Program Directors for global cloud transformation projects.

◆ 3 Key Benefits:

- Access to leadership & niche talent
- Global sourcing with domain alignment
- Reduced time-to-hire through proactive talent mapping

◆ Client Sectors:

Technology, Engineering, BFSI, Healthcare, SaaS, Manufacturing

◆ Our Specialisations:

AI, Cloud, Data Analytics, Support Engineering, Agile & Product Leadership
